

**WABE**

# **Source Tracking**

2023 Quarter 2: April 1 - June 30

# Source Tracking

In an effort to become a more equitable and inclusive news organization, WABE uses a source tracker for the voices heard on WABE programs and in WABE news features.

# Source Tracking

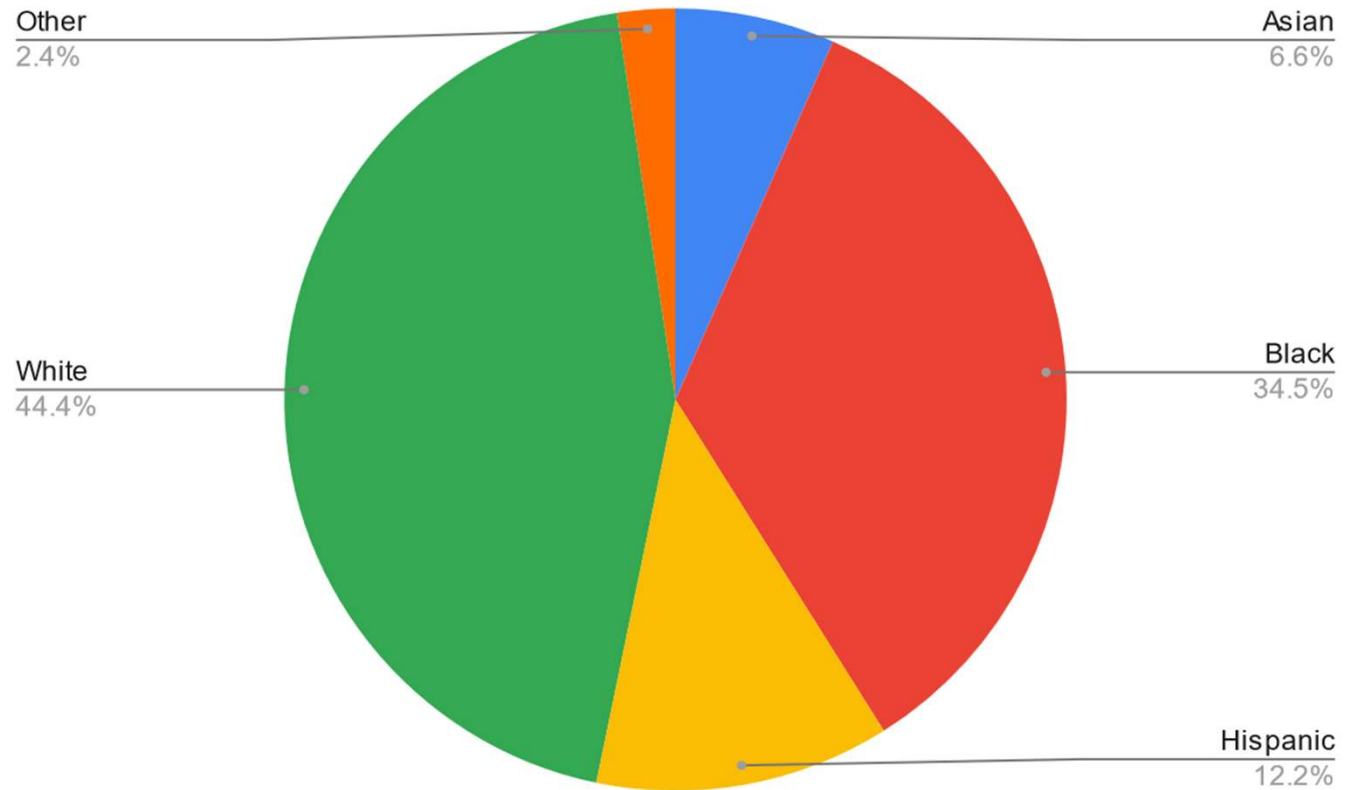

To see how representative our sources are in comparison to metro Atlanta, we use data compiled by the Atlanta Regional Commission and the Census Reporter.
