

WABE

Source Tracking

2024 Quarter 3: July 1 – September 30

Source Tracking

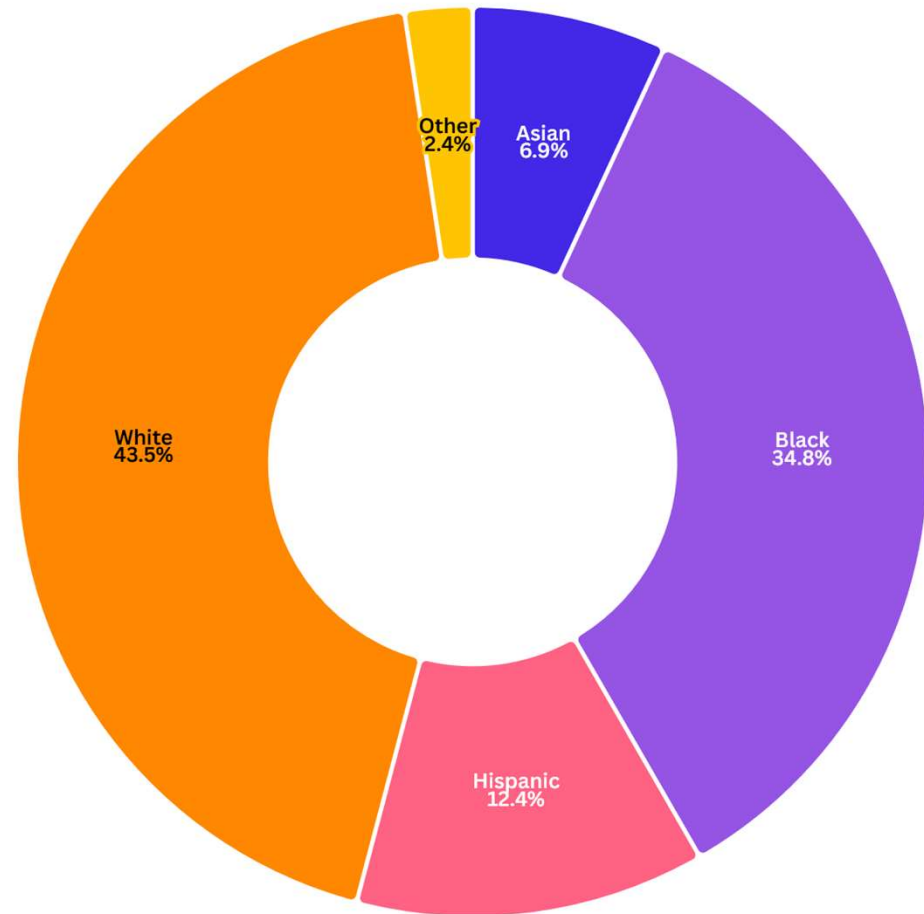

In an effort to become a more equitable and inclusive news organization, WABE tracks the demographics for the guests and sources on City Lights, Closer Look and WABE host interviews and news features.

We compare the data we collect to information compiled by the Atlanta Regional Commission and the Census Reporter to see how representative our sources are in comparison to metro Atlanta.

Metro Atlanta Race Profile

ARC 21-County Data for 2022
